• Pokhara, Nepal - +(977) 9846779106 - Email: surazpandey101@gmail.com

SUMMARY

• As an aspiring software engineer focused on mastering the MERN stack, I have diligently honed my skills in front-end technologies like HTML, CSS, JavaScript, and React.js, alongside back-end technologies including Node.js, Express.js, and MongoDB. While my experience primarily stems from academic projects and self-directed learning, I am eager to apply my knowledge to real-world challenges. Besides this, my adaptability, strong problem-solving skills, and passion for continuous learning make me a valuable asset to any development team. I am excited about the opportunity to grow professionally and make meaningful contributions in a dynamic software engineering environment.

•

• EDUCATION

- **September 2019 - July 2023 (3 Years)**

Bachelor of Science in Information Technology - Infomax College of IT and Management
(Asia Pacific University)
